COMMENTS: WORK WILL BE COMPLETED IN STAGES

- Stage 1 will take place from May 3 to prior to the Memorial Holiday period.
  - M-108 will be closed from Old US-31 to the off ramp at exit 338. Traffic will be detoured via Old US-31, US-23, Huron Avenue and Central Avenue. Access will be maintained to all businesses and residences within the closure.
  - The Mackinaw City Welcome Center will be closed. It will reopen for the Memorial Holiday period and remain open thereafter.
  - Two-way traffic will be maintained on M-108 and US-23 for the Memorial Holiday period.
- Stage 2 will start after the Memorial Holiday and occur during June and July.
  - Work will take place on M-108 from Trails End to Old US-31.
  - Lane closures will occur with traffic maintained on M-108 using flag control and a temporary traffic signal.
  - Beginning June 25 two-way traffic will maintained on weekends and holidays.
- Stage 3 will take place during July and early August.
  - Paving will be completed along with restoration.
  - Lane closures will occur with traffic maintained on M-108 using flag control.
- Access will be maintained to all businesses and residences during the project duration.
