Purpose of the meeting was a report by Rogala on research he conducted since prior meeting concerning rules which govern septic connections outside the village limits. This information was necessary because of a request by a township residence.

Motion by Bertchinger, second by Keck as follows: Send homeowner a letter that she should be made aware of all costs to connect to sewer system, then make her decision. If she decides she wants to hook up, she should approach the Village and we have no problem with granting permission for sewer hook up only. Vote: Four ayes, one absent. Motion accepted.
